

HELP US BETTER SERVE YOU

THIS AGENCY IS SWITCHING TO SECOND HARVEST FOOD BANK'S PAPERLESS CHECK-IN SYSTEM SERVICE INSIGHTS ON MEALCONNECT (SIMC)

WHAT

Most data is OPTIONAL but to receive USDA TEFAP food, some basic questions like Name, County, # of People in Household, and income eligibility are required. You only need to provide this info once here and will simply be asked whether anything has changed at future visits.

WHY

SIMC helps reduce wait times here AND at other Second Harvest agencies using the system. It also helps us and Second Harvest tailor services to better support your needs!

PRIVACY

SIMC follows industry standard security practices to ensure your info is kept confidential and private. It is more secure than using paper forms. Second Harvest only uses ANONYMOUS/ De-Identified data to improve services and advocate for support.
